

Good morning,

The Office of Regulations recently launched a web form to replace the email address (CFPB_RegInquiries @cfpb.gov) that industry and other stakeholders were using to submit their questions on Bureau regulations. Going forward, these questions should be submitted using the form, located on our website at <https://reginquiries.consumerfinance.gov>.

Thank you,

CFPB Regulatory Implementation Team
Consumer Financial Protection Bureau

About the CFPB

The CFPB is a 21st century agency that helps consumer finance markets work by making rules more effective, by consistently and fairly enforcing those rules, and by empowering consumers to take more control over their economic lives.
